DETERMINING YOUR SIZE.

Since JAMMIN products are custom made from scratch, it is important that you order the correct size. It's easy to determine the right size for you and your garment by using our diagrams, measuring tips, sizing charts, and a simple tape measure. If you need sizing assistance, please feel free to call our Sales Associates.

HOW TO MEASURE

- 1 CHEST/BUST**
With arms relaxed down at sides, measure fullest part of chest/bust while keeping tape measure parallel to the floor. Number of inches equals your chest/bust size.
- 2 WAIST**
Measure around your waist at the height you normally wear pants. Number of inches equals your waist size.
- 3 HIPS - Women Only**
Stand with both feet together and measure around fullest part of the hips while keeping the tape measure straight and parallel to the floor. Number of inches equals your hip size.
- 4 INSEAM**
Measure similar style pants that fit you well, from crotch seam to bottom of pants. Number of inches equals your inseam length (round to the nearest inch).
- 5 SLEEVE LENGTH**
Place hand on hip and bend arm 90°. Measure from base of neck along shoulder to elbow and down to your wrist. Number of inches equals your sleeve length.
- 6 BACK LENGTH**
Measuring your backside, start from the base of your neck down to the back of your waist. Number of inches equals your back length.

SIZING TIPS

PERFECT FIT

Using your measurements, find your corresponding size on the Unisex sizing charts to the right. To ensure the perfect fit, follow these helpful tips:

- Choose your size based on the largest measurement taken (excluding sleeve length, back length, and pant inseam).
- If any of your measurements fall between two sizes, pick the next larger size.

YOUTH SIZING

To accommodate growing children, we highly recommend ordering one size larger.

ALTERATIONS

Alterations are available on sleeve length, back length (longer only), and pant inseam for an additional charge.

UNISEX SIZING CHARTS

Measurements shown in inches. Some styles are pre-washed and shrank to avoid sizing problems.
